

Dupree Dance Nationals Finals

Solo Title Competition Information

General Rules

Each dancer registered in our Performance Division Title competition will be competing for the title of DUPREE RISING STAR in their age division. Each dancer registered in our Competitive Division Title competition will be competing for the title of MR or MISS DUPREE DANCE in their age division.

Announcement of Solo Title Finalists and Winners

Up to 5 Solo Title Finalists in each age division for both the Performance and Competitive levels will be announced during our National Finals. Out of these Finalists, we will award a 2nd and 1st runner up and a Title Champion. Each runner up will receive a 50% off (half) convention tuition scholarship. Each Solo Title Champion will receive a hat/crown, plaque and a year-round full convention tuition regional scholarship. Each Solo Title Champion will also be invited to our Gala to be formally recognized at the conclusion of our event.

Attire for Solo Title Champions at the Gala

We encourage our Title Champions to dress up a little bit for their introduction during our Dupree Dance Gala awards ceremony. Anything from business casual to formalwear is suggested. This will give our Title Champions an opportunity to shine as they are formally announced.

We realize that it is possible that some or all of our Title Champions may perform towards the end of the Gala competition. The order of our Gala Awards Ceremony will be padded accordingly so that our Solo Title Champions have adequate time to change.

Gala Awards Ceremony Procedure

Our competition emcee will re-announce both the Performance Division Rising Star Champions followed by our Competitive Division Mr./Miss Dupree Dance Champions in each age division. Our Dupree faculty will take a group picture with each division's Solo Title Champions following their introduction. Dupree Dance will post all pictures on our social media pages following the event.
