

# Dupree Dance Improv Dance Challenge National Finals 2022

**SATURDAY, JULY 2**

The ability to dance Improv is a wonderful tool for dancers to possess giving them the opportunity to demonstrate their strengths, talent, personality and confidence. It is also an extremely important skill for the audition process for jobs, schools and other opportunities within the professional dance industry.

Dupree Dance is excited to host two all-new and exciting Improv Dance Challenge classes for any attending dancer age 8-19 at our Dupree Dance Nationals Finals! These will be held on the main stage on Saturday, July 1 from 8-9 AM (ages 8-12) and from 9:30-10:30 AM (ages 13-19).

Convention registered dancers in our Junior room are automatically enrolled in the 8-9 AM Improv Dance Challenge and convention registered dancers in the Teen and Senior room are automatically enrolled in the 9:30-10:30 AM Improv Dance Challenge. If a convention registered dancer opts to not participate in his/her Improv Dance Challenge, we invite them as audience members during their designated class.

## **CAN NON-CONVENTION REGISTERED DANCERS OPT TO PARTICIPATE IN THE IDC?**

Yes! You do not have to be convention registered at our National Finals in order to participate. Any attending dancer age 8-19 can register at our event during front desk hours. Registration is \$25 per dancer, non-refundable. We will accept cash and credit card only. ***Our strict Improv Dance Challenge registration cut-off will be on Friday, July at 1:00 PM.*** Register early, as Dupree Dance reserves the right to cut off registration once maximum attendee capacity is reached.

## **HOW DOES THE IMPROV DANCE CHALLENGE WORK?**

During our Improv Dance Challenge, each dancer will have the chance to perform to showcase their performance and overall Improv dance ability. Music will be chosen by the Dupree Dance judging faculty. Dancers who progress to the final round will have the chance to improv in the style (genre) of their choice.

## **CAN OBSERVERS ATTEND?**

Yes! Because we have divided our Improv Dance Challenge into two separate classes this year, we are inviting the parent(s) and studio supporters of any dancer who is involved in our Improv Dance Challenge to sit in our audience during this time (no observer band required). Our audience energy is key to helping PUMP UP those amazing participants!

## **RESULTS**

Two winners from our age 12 and under and two winners from our age 13 and up IDC will be selected. They will receive an incredible Swag Bag full of prizes, a picture on stage with our Dupree faculty and a social media shout out!
